Dear Postgraduate Trainees,

We are excited to announce Ex-QUIZ-ite - a maxillofacial Challenge - a unique opportunity to showcase your knowledge and skills in maxillofacial surgery.

We invite you to mark your calendars for this exciting contest every 1st Sunday from January - July 2024, held from 12 noon to 1 pm (IST). This challenge paves the way for the 16th Asian Congress of Oral & Maxillofacial Surgery in Chennai.

We encourage you to show your expertise and actively participate in this exciting challenge. This is an excellent opportunity to showcase your knowledge and expand your understanding of maxillofacial surgery.

We look forward to seeing you participate in Ex-QUIZ-ite and wish you the best of luck.

Sincerely,

The Ex-QUIZ-ite Team.

Eligibility :

- Postgraduate trainee members of the national OMS association from Asian countries.
- Candidates who have registered in 16th ACOMS. (The registration process must be completed on or before December 31, 2023. Any team failing to register and participate in the qualifying round will be disqualified)
- The participants must be postgraduate trainees of recognised institutions and send their certificate of studentship from their respective HEADS of Institution to exquizeacoms2024@gmail.com

Registration for the quiz will be done through Google Forms

Scan To Register

Quiz Rules :

- Two teams per institution.
- Two participants per team.
- The questions for the quiz would be from Oral and Maxillofacial Surgery and allied basic science subjects.
- The qualifying round will be conducted through the FlexiQuiz platform. There will be 20 questions, which must be answered in 15 minutes, and the top 20 teams will be chosen for the preliminary rounds.
- The questions will be a multiple-choice (objective type) pattern – four marks for correct answer and one negative for incorrect answer).
- The qualifying round will be conducted on 16th December 2023.
- There would be six preliminary rounds every 1st Sunday of the month from 12.00 noon to 1.00 p.m. (IST). (all the participants MUST log in thirty minutes before the start of the session)
- Preliminary rounds will be conducted through the Kahoot platform,
- The participants must connect through ZOOM and keep their video "ON".
- There will be a trial session on the 1st Saturday of the month before the first session of the Sunday quiz. (attending the trial session is compulsory).
- Every preliminary round will have an elimination of 2 teams (last placed two teams) as the Quiz progresses to the next round.
- The final round will consist of the top 5 teams who must be present for the 16th ACOMS at Chennai to participate.
- The decision of the Quiz master will be final.
- Organisers are not responsible for the participants' internet connectivity.
